PURPOSE

At Cross Mountain Kids Day Out
our purpose is to partner with
parents in connecting children to
the goodness of God, growing them
through a variety of learning
experiences, and to teach them to
shine in this world! Just as the hub
of a wheel is central to all spokes of
that wheel, our view of God will
drive our character, attitudes, and
actions. We believe that when we
connect Kids to the greatness of
God as they learn, their character
will grow and their faith will
increase!

CROSS MOUNTAIN KIDS DAY OUT

Learning, working, and playing can all display the glory of our Great God! Join us in our journey to teach children the joy that can be found when we make Jesus Christ the center of it all!

CURRICULUM:

Cross Mountain Kids Day Out knows that children are active learners! We choose units to study that are exciting to children, and teach through a centers-based, hands-on learning environment. We work hard to plan activities that engage all 5 senses, maximizing the learning and development of young children. Each month you will receive a calendar outlining weekly and monthly themes so that we can partner with you at home!

Our Bible curriculum is The Gospel Project, a three year study of God's plan to rescue His people through Jesus Christ, found throughout the whole Bible! Every story points to the Good News!
